

## Wellies and Wonder Outdoor Nursery at Ellingham

Wellies and Wonder is our outdoor nursery provision for children from their second birthday until they are three and come into our school nursery setting. Our two year olds have a fantastic time at school, enjoying their own special space in our newly planted woodland, with a fabulous outdoor classroom called a 'polycrub' to learn in daily. We also use our school hall for games and activities

at the start and end of the session. This means we cover the whole EYFS curriculum in detail. Each day holds a new adventure: whether it is cooking over the fire; making mud pies in the mud kitchen; watching the wildlife that is all around us; or painting and drawing, inspired by the beauty of the natural world. Small numbers mean we can tailor the learning to carefully match your child's needs and interests, and they will be cared for by qualified and experienced early years' staff, who are passionate about their role.

Children can do half or full days and have the option of a hot lunch or a sandwich lunch at dinnertime. We have been open for a whole year now, and despite all that the weather has thrown at us, we have loved being out in the fresh air and enjoying our beautiful surroundings.

Wellies&Wonder children also visit the 'big forest school' with us, where they can climb, swing and paddle all morning in our stunning woodland.

If you would like to come for a visit, please contact school to arrange a time on 01665 589233, or email [admin@ellingham.northumberland.sch.uk](mailto:admin@ellingham.northumberland.sch.uk). We would love to welcome you and your child to our lovely setting.
